Thank you for considering membership in FFTEA. Your support is critical to us. In order to make FFTEA membership more affordable, FFTEA announces several new levels of membership starting as low as \$5 per year.. As you will see, the levels are named in recognition of our first four presidents, a founding father and a president whose images are found on U.S. Currency. Please review them and select the level of support that you prefer.

In addition to the incentives indicated, all members receive FairTax news and updates from the Managing Director and an opportunity to participate in the discussion of policy decisions guiding FairTax.

Once you have chosen a level of support, please print the membership form on the following page, fill it out and mail it, along with your contribution, to the address on the form.
